

What Is LAN ES?

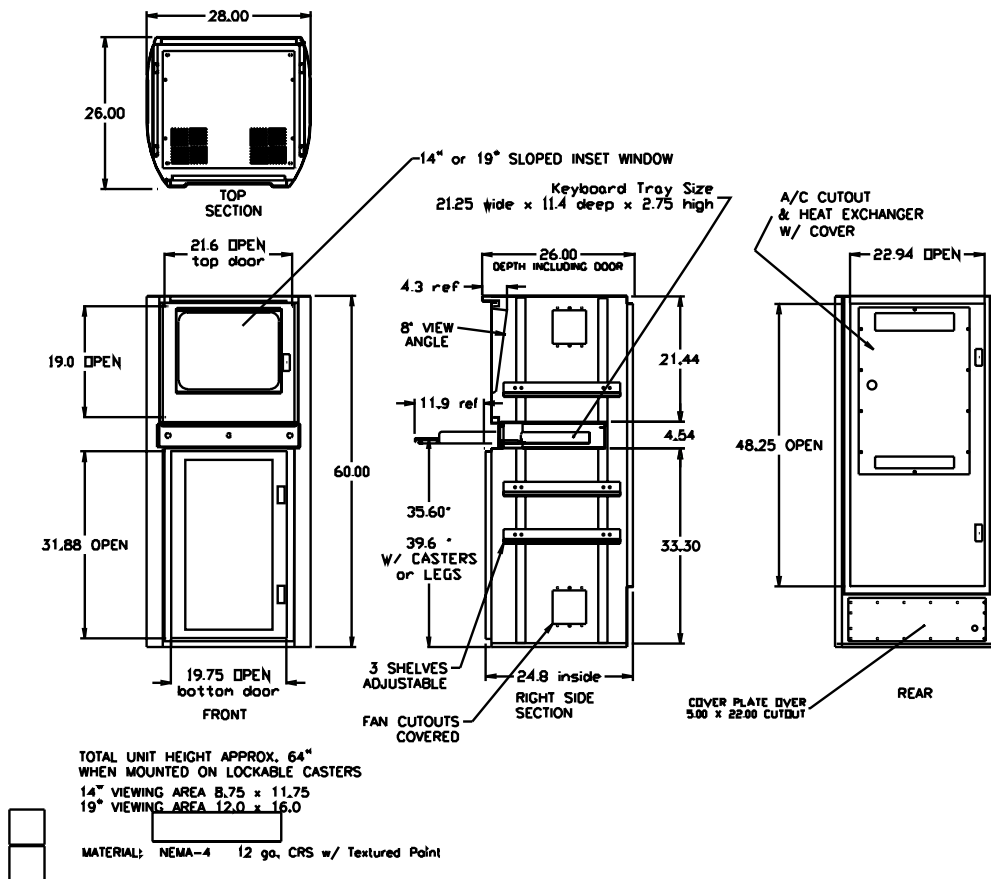

NEMA Ratings:

The National Electrical Manufacturers Association (NEMA) defines an enclosure as a surrounding case constructed to provide a degree of protection to personnel against incidental contact with the enclosed equipment and to provide degree of protection to the enclosed equipment against specified environmental conditions.

NEMA 12 enclosures are intended for indoor use, primarily to provide a degree of protection against dust, falling dirt, and dripping, non-corrosive liquids.

NEMA 4 enclosures are intended for indoor or outdoor use, primarily to provide a degree of protection against wind-blown dust and rain, splashing water, and hose-directed water.

NEMA 4X enclosures are intended for indoor or outdoor use to provide a degree of protection against corrosion, wind-blown dust and rain, splashing water, and hose-directed water.

Available colors for LAN ES: Cool Grey (GV1)
